About us

Greetings!

The Department of Pathology, PSGIMS&R Coimbatore is delighted to conduct the annual state conference TAPCON -2024 for the Tamil Nadu Pondicherry Chapter of IAPM. This comprehensive two-and-a-half-day conference consists of preconference workshops, interactive didactic lectures and case discussions that will enable postgraduate trainees and practising pathologists to recognise updated diagnostic criteria and disease classifications in urogynaecological pathology, bones and soft tissue pathology, non-neoplastic liver pathology, perinatal pathology and haematopathology.

The scientific program also includes a session on AI in pathology and quality in lab services to understand the importance of using technological advances for better diagnostics and patient care in a quality setting.

Coimbatore city, the Manchester of South India, situated on the banks of river Noyyal surrounded by the scenic Western Ghats in all its serenity, welcomes you all to enjoy the science, nature and the city's hospitality.
